Mission

To bring safety, justice, and healing to child survivors of sexual violence in Uganda.

Vision

An end to child sexual violence in Africa.

Guiding Scripture

"You intended to harm me, but God intended it for good to accomplish what is now being done, the saving of many lives. So then, don't be afraid. I will provide for you and your children." ~ *Genesis 50: 20-21*

OUR STORY

In 2021, inspired by their daughter's desire to use her personal testimony to help other Ugandan children impacted by sexual abuse, Scott and Sarah Lambie launched Rescue One More.

Having lived in Uganda for seven years and adopted two children impacted by **sexual violence against children (SVAC)**, the Lambies had a unique perspective on the situation.

In Uganda, **more than 1 in 3 girls and 1 in 6 boys experience SVAC**. The resources available to help children are limited and often too costly to pursue. **Survivors are often silenced by their families and communities** and forced to endure the trauma in silence.

Rescue One More is on a mission to change that by **providing children with a pathway to safety, justice, and healing** while working to bring an end to SVAC once and for all.

Using a proven community-driven approach pioneered by the **Children's Advocacy Centers**, Rescue One More brings community leaders together to offer **coordinated and streamlined responses to SVAC, ensure successful investigations, and minimize additional trauma to the child**.

The approach has been implemented through multidisciplinary teams (called Community Action Teams or CATs) which conduct case reviews and use their combined resources and experience to ensure each child receives safety, justice, and healing.

The teams also work together to prevent SVAC through community awareness and prevention initiatives.

In 2021, one CAT was fully implemented and operating. A second was in the process of establishing its protocols.

Rescue One More also partnered with 3 organizations providing safe shelter, trauma counseling, case management, and resettlement services.

VIOLENCE

SITUATION OVERVIEW

- Uganda's population is 46M
- Half of the population is under the age of 15, that's 23M
- About half are girls, that's 11M
- About half are boys, also 11M
- More than 1/3 of girls experience sexual violence, that's 3.6m girls
- More than 1/6 of boys experience sexual violence that's 1.8m boys
- This means around 5.4m children are abused by the time they reach 18
- Kids don't know where to go for help. No family support. Stigma.
- No clear path to safety, justice, healing
- Parents don't understand the gravity of the problem
- No education for children or communities on this topic
- Gov't offices are corrupt
- Only a small handful of organizations are addressing the problem
- Limited resources for police and child protective services etc.
- Culturally acceptable in many areas and tribes
- Women need the abusers to provide for the family

IMPLICATIONS

- Teen pregnancies
- HIV+, STIs
- School drop outs
- Depression, suicide, PTSD
- Substance and alcohol abuse
- Prostitution
- Cycle of abuse continues
- Greater socio-economic impact

2021 GOALS & STRATEGIES

During our first year of operation, our primary goals included the following:

- Fully launching a Community Action Team (CAT) in one district; begin establishing a second CAT in another district
- Establishing two Rescue One More Centers in two districts
- Begin conducting community awareness/prevention programs and secure national news coverage about the issue in Uganda
- Never having to turn a child away

Our strategies included the following:

- Build trust with local leaders in one–two districts
- Establishing partnerships with two child-focused NGOs willing to serve as primary partners
- Increase awareness and establish trust among potential donors and funding partners

| GOALS | DETAILS | OUTCOMES |
|---------------------------------|---|--|
| Community Action Teams (CATs) | Establish fully functioning CATs consisting of police, prosecutors, medical/emotional care professionals, child protective services, social workers, etc. | <ul style="list-style-type: none"> • Established and launched a CAT in Mukono District • Began working with leaders in Wakiso District to establish protocols for a Wakiso CAT. |
| Rescue One More Centers | Work with Primary Partners to establish Rescue One More Centers for children in need of safe housing, medical care, trauma counseling, case management and resettlement services. | <ul style="list-style-type: none"> • Established a RIM Center in Mukono through our partnership with Petros Zoe Initiative • Established a RIM Center in Wakiso through Mercy Child Care |
| Community Awareness Initiatives | Work through Primary Partners to begin educating students and community members about the issue of SVAC and practical ways to prevent it. | <ul style="list-style-type: none"> • Secured 4 national news coverage about the issue and our approach to addressing it • 150 local leaders signed commitments to fight SVAC in Uganda |
